

# FIRST AID TRAINING COVID-19 PROCEDURES

## YOUR RESPONSIBILITY

Masks are **MANDATORY**, especially in common areas including restrooms, hallways and break areas. Masks will be available.

Wash your hands **FREQUENTLY** and properly. Use hand sanitizer before touching common or shared surfaces.

Create **S P A C E**. Maintain 6ft of social distance.

If you feel unwell or have fever, cough, sore throat or difficulty breathing, **STAY HOME**.

## OUR COMMITMENT TO YOUR SAFETY

Class sizes will be **LIMITED** according to the size of the facility. If the facility does not meet SCNSC guidelines when the instructor arrives, the class cannot move forward.

Instructors will ensure all tables, chairs and door handles are **SANITIZED** prior to the start of each class and after the conclusion of the class.

SCNSC will provide instructors with a bottle of EPA approved sanitization spray to **SANITIZE MANIKINS** prior to student use and at the conclusion of the class.

Students will **NOT** practice breathing exercises on the manikins.

Students will have their **TEMPERATURE** checked before entering the daycare. No-contact thermometers will be included in material packets sent to instructors prior to each class.
