COVID-19 Procedures

WALK-IN POLICY

Walk-ins will not be allowed unless a space is available from a no-show. Class size cannot exceed the number of students on the official class roster. Class sizes will be limited according to the size of host facilities to ensure social distancing is followed. If the facility does not meet SCNSC guidelines when the instructor arrives, the class cannot move forward and will need to be rescheduled.

BATHROOM USE

Bathrooms will be restricted to a limit of ONE person at a time.

- Proper handwashing is required.
 - Wet Hands
 - Lather with Soap
 - Maintain soap contact and rubbing of hands for a minimum of 20 seconds (sing "Happy Birthday!")
- Hand soap and sanitizer will be available

SAFETY PRECAUTIONS

- Attendees will maintain 6 feet of social distancing
- Students are required to wear gloves during class. Gloves will be available.
- Hands must be sanitized before putting gloves on. Sanitizer will be available.
- Students are required to wear face masks. Masks will be available.
- All students will have their temperature checked before entering the daycare. No-contact thermometers will be included in material packets sent to instructors prior to each class.

STAY AT HOME

If you are experiencing any symptoms of COVID-19:

- Cough
- Shortness of breath or difficulty breathing
- Chills
- Muscle pain
- Sore throat
- New loss of taste or smell

FACILITY & FIRST AID / CPR EQUIPMENT SANITIZATION

- Instructors will ensure all tables, chairs and door handles are sanitized prior to the start of each class and after the conclusion of the class.
- SCNSC will provide instructors with a bottle of EPA approved sanitization spray to wipe down mannequins prior to each student use and at the conclusion of class.
- Students will practice compression only on the mannequins, no breathing exercises
- Frequent handwashing will be encouraged, especially after touching common surfaces such as door handles and tabletops
- Hand sanitizer will be provided to all students
